

*To our Members,*

*"As required by the USA Patriot Act of 2001, which requires the Mountain Laurel FCU to help the government fight the funding of terrorism and money laundering activities, the Mountain Laurel FCU must obtain basic information from you and verify that information when you open a new account.*

*This means the Mountain Laurel FCU staff will ask you for some basic information such as your name, address, date of birth and other information designed to help us identify you. Mountain Laurel FCU staff may also ask to copy documents identifying you, such as a driver's license, passport or some other government-issued document. The Mountain Laurel FCU appreciates your patience and understanding as we all do our part in complying with the new account identification procedures required by the Federal USA Patriot Act of 2001."*

*Respectfully,*
